Do you like the name? It's my very first attempt at angst, So tell me if this is depressing or lame ^_ ^ I had this Idea when last night in showers, That perfect angel came past. . . GRRR Die! OK, Bart Simpson! Disclaimer

Bart: whatever, she doesn't own golden sun.

Jealousy
She's so perfect.

With her perfect eyes and perfect hair.

Her merry tinkling laugh.

I hate her.

My best friend knew ME longer than her.

But she got put under her spell

They're all prettier than I am.

So perfect.

Even Felix has gone after her.

And Ivan, he was not supposed to go after girls.

Isaac, and Garet, I understand.

It's not like I could go out with them.

But Felix.

I was his little teddy bear.

To be replaced by her!

Well, I couldn't go out with him anyway.

But why did he go after her?

I hate her.

My world would be perfect . . .

WITHOUT HER . . .

That's it . . .

Get her away . . .

Perfect life . . .

I'll do it.

I'll get rid of her.

Forever.
